On May 22, 1996, the Board of Oil, Gas and Mining formally approved the form and amount of replacement reclamation sureties for Ash Grove Cement Company's mine sites in Juab County. The reclamation sureties are in the form of surety bonds issued by St. Paul Fire and Marine Insurance Company. The Division hereby grants final approval of the replacement reclamation sureties.

Also enclosed are the old original Reclamation Contracts and surety bonds issued by National Fire Insurance Company of Hartford with the effective date of May 1, 1995.
